# ISABELLA CASIRAGHI

In 1969 in the town of Carate, near Milan, I was born. Now my family lives in the village of Tregasio. I was the first child, but now I have a sister, Laura, and a little brother, Andrea.

Tregasio is a cozy village that has a beautiful seminary used for gatherings of people from many places. It is also the home of a lovely, empty villa which is inhabited only by guards.

In the village, there is only one elementary school. I had to go to Villa Raverio for middle school and off to the city of Lecco for high school. This experience helped me to meet many different people, just as I am meeting many, many people now.

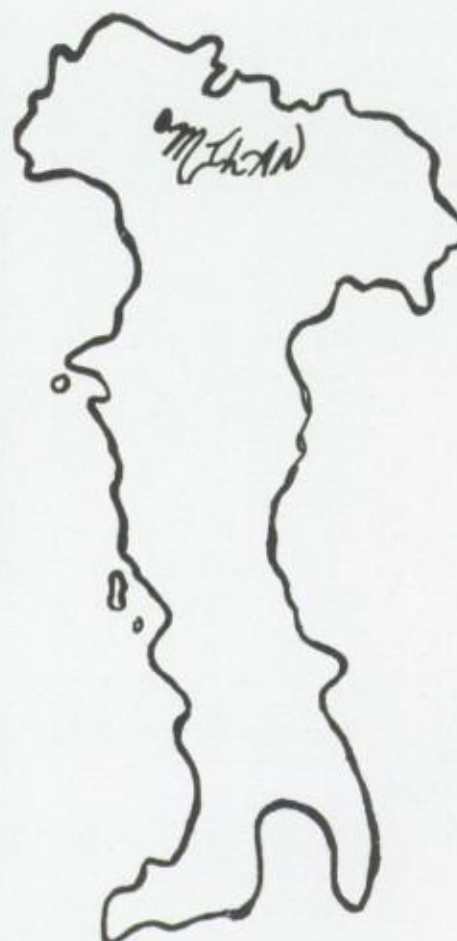

One of my favorite activities is going dancing with my friends. Riding my friend's motorcycle on village roads is also a thrill. Penpals in Germany and Oklahoma have created two long distance friendships for me.

My favorite subject in school is languages; in Italy I studied English, French, and German. I speak French very well, for I studied very hard with a strict teacher and went to Switzerland to learn to use my French and study more.

Every summer Italian people go to the beaches on the Mediterranean. My family goes to an island off the western coast. It is a wonderful time because we meet our old friends from all over Italy.

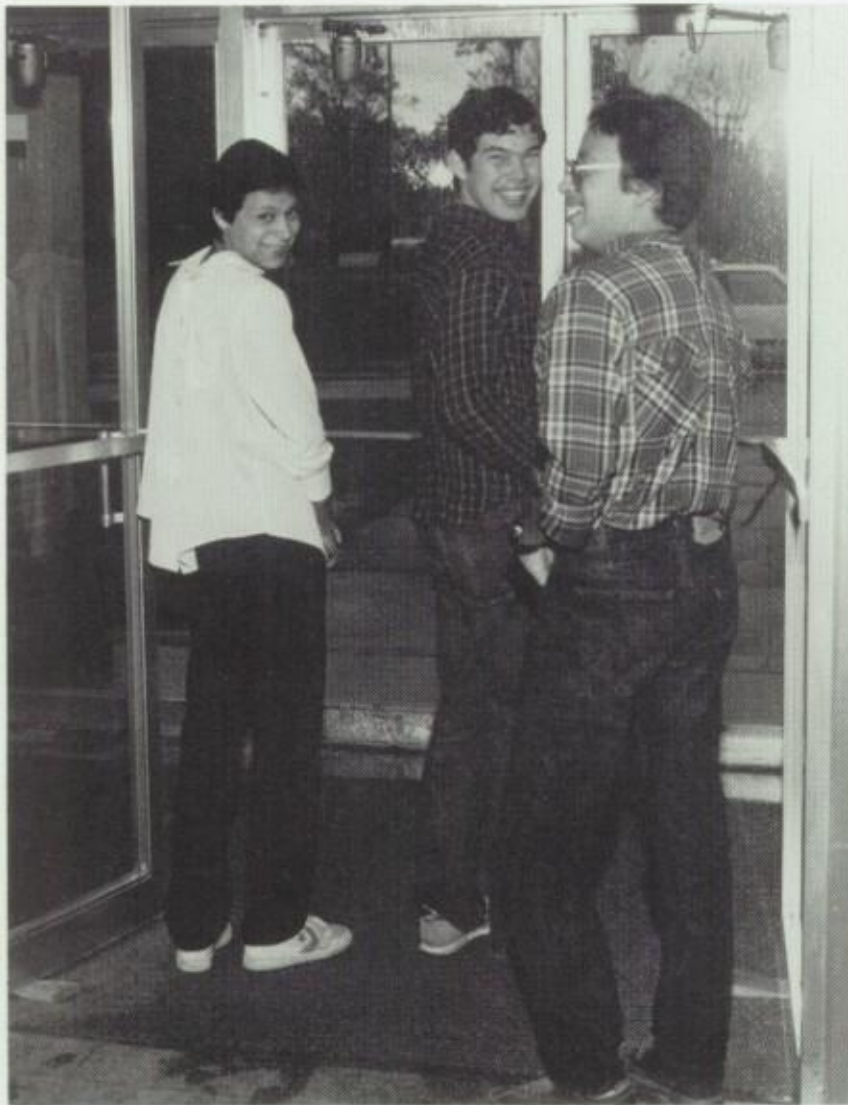

Americans are very friendly, I find, perhaps even more friendly than Italians. I feel comfortable in Silver Creek, and it helps me not to be homesick.

Being an A.F.S. student has been a memorable experience, and I hope that the next student will be as happy as I am in Silver Creek!

Seventh grade class advisors were Mr. Skovenski and Mrs. Lagana. Class of '91 officers were President Matt Sharrow, Vice-President Kevin Oakley, Secretary Ryan Forrest and Treasurer Julie Whalen. Although seventh grade means taking much more responsibility than elementary school, it is also more fun.

# BOYS' TRACK

For the sixth time in seven years the track team finished the season in Division II with only one loss and with an overall record of 10 wins and 3 losses!

Tom Brennan completed an outstanding track career at SCCS by setting new records for both the 1600 and 3200 meters. Ken Rutkowski completed a fine season even though he was plagued with injuries for a good part of the season. Another senior who will be sorely missed is Ange Pagano who finished second in the county in the pole vault and was a team member for five years.

SCCS has a lot of young athletes coming up for the 1987 season, along with the small number of returning veterans.

Scott Crino, Kyle Tarrant, Mike Goth, Steve Bain, along with Scott Zbytek, Kris Thompson, Tom Kirkpatrick, Mike Matesvac, Rob Sek, Kevin Merrill, Jeff Lycett, Frank Schneider and Bruce Ward will all be returning for the 1987 season.

# GIRLS' TRACK

The Silver Creek Girls' Track finished the season at 11-1 this year and had a second place finish at the County Meet. Excellent performances were turned in all season long by everyone.

Ed Gallivan took over the coaching duties after several seasons as the Assistant Boys' Track Coach. He was also a former Track Captain, record holder, and County Champ for Silver Creek.

This is the fifth year for a separate Girls' Track Team at Silver Creek. The first two years saw the S.C. girls as County Champs. We have been steadily improving since then to regain the number one spot in the county. This year's second place finish will be a springboard to launch us

into the competition for the title next year. CO-MVP award winners were Lauren Brennan and Cathy Gabel. High Point Scorers were: Cathy Gabel, Lauren Brennan, Andrea LaBarbera, Amy Wagner, and Tracy Estee with over 200 points each. Eleven school records were broken. Lauren Brennan led the way by setting new standards in the 400 meters, 800 meters, and 3,000 meters. Tracy Estee set a record in the 1500 meters. LaBarbra raised the height in the High Jump. Wagner bettered the old mark in the Shot Put. Elwell increased the distance in the Discus. The 3200 Meter Relay Team of Schultz, DeJohn, Estee and Brennan lowered the old record by over 32 seconds. Cathy Gabel set new records for both most points in a season and most points in a career. Sorely missed next year will be Co-Captains Heather Thompson, Diane Hotelling, and Cathy Gabel.

The 15-7 division champs were led offensively this year by the seniors. Catcher Dave Cartwright (.429), first baseman Dave Edwards (.388), shortstop Jamie Pagano (.333), third baseman Phil Opeil (.286) and outfielders Kevin Thompson (.286), Jeff Kucinski (.250), and Greg Goth (.184) were regular fixtures on the squad.

Top junior sluggers included Bob Abram (.367), John Krestic (.387), Mike Saletta (.378) and Dave DeVito. Other juniors on the team included Mike Pagano, Jeff Smith, and Jim Farnham.

Sophomore Dale Cartwright (.297) proved to be a valuable utility infielder for the team this year.

The pitching duties belonged mainly to juniors Bob Abram (6-0 in league) and John Krestic (3-1 in league). Sophomore Dale Cartwright (2-0 in league) was often called on in the late innings. Other occasional pitchers included: seniors Kevin Thompson, Phil Opeil and Greg Goth, and junior Jim Farnham.

The 1986 varsity baseball team was a close knit team that worked very hard for every one of their wins. They had no "stars", yet through hustle, determination, and team play, they managed to win the division and make the quarterfinals of the sectional championship (eventually losing to City Honors).

Three records were tied this year: most singles in a season (28) - Dave Edwards tied Ross Raymond's 1985 total; most homeruns in a season (5) - Phil Opeil tied Dave Fancher's 1985 total; most pitching victories in one season (6) - Bob Abram tied Charlie Wilde's 1985 total. Congratulations to the 1986 S.C. Varsity Baseball team for another successful season!

The J. V. baseball team had another outstanding season under Coach Kuberka, winning its second consecutive league championship with a record of 12-2, one victory shy of the school record set the precious season. Only six rained-out games against opponents they had previously beaten kept the baby Knights from setting a school record for wins for the third consecutive season.

John Fanale and Joe Waters were the offensive leaders for the team batting .489 with 28 r.b.i. and .441 with 24 r.b.i., respectively. Scott Piccolo, Bob Manning, Marty Buczkowski, Sam Heavern, and Mike Kulaw were other offensive stars.

Kulaw was the leading pitcher with a 3-0 record and 3.04 E.R.A., while Waters won four games and set a J.V. record by striking out 60 batters. Piccolo, Shawn Borrello, and Collin Reid also recorded pitching victories.

Waters finished his JV career with eight season or career records. Fanale finished as career and season high record holder in home runs, and his r.b.i. total was the second highest mark ever.

Nineteen eighty six was a season of ups and downs for everyone on the team, as our overall record speaks for itself. Inconsistency, both with the bat at the plate, and with the glove in the field, led to our destruction all year long.

Even though our season wasn't as great as we had anticipated it to be, we were able to have some of our girls honored on the first and second teams of the Division II All Stars. Donna Sweetman and Debbie Cotton were named to the first team, and Tina Ippolito was named to the second team. Laurie Wright was the leading hitter on the team with a .511 batting

Left to Right: D. Sweetman, K. Keller, K. Matesevac.

average. Tina was our leading run producer with 35 R.B.I.'s. Donna scored our most runs, 32, as Debbie won the most games for us, pitching three winners.

In 1987 we are looking forward to an even better year from all these girls as well as all the others that will be returning. We feel that with the addition of some of the girls from last years J.V. squad and some new girls that will be coming out for the first time, we may bring home our first GIRLS SOFTBALL CHAMPIONSHIP!!

The 1986 Black Knight Varsity Football Squad finished the league season with a 3-3-1 record and 3-4-1 overall mark.

Highlighting the season were early victories over long-time rivals Randolph and Maple Grove! In weeks five and six, the Black Knights played well in defeating Cassadaga Valley and tying league champ Portville 12-12.

Season ending injuries to five starters prevented the team from playing to its full potential down the stretch.

Individually, seniors Kyle Tarrant and Dave DeVito closed stand out careers, and underclassmen Steve Bain, Dale Cartwright, Mike Goth and John Fanale promise to lead the Black Knights back to the top in '87.

The 1986 J.V. Black Knights finished with 2-6 record. The junior Knights were a very young team and they all showed improvement during the season. S.C. was led by three QB's this year from sophomore Quintin Mangano to freshman Ira Jones and eighth grader Jamie Strzempka. Doing most of the ball carrying were fullback Kris Thompson and halfbacks Marty Buczkowski, Scott Dalrymple and Steve Rizzo. The line of ends Don Fox and Andy Lokietek, with tackles Lee Pandak and seventh grader Chris Stevens, along with guards Tom Messere and Chris Braidich, alongside center Chris Oakley, provided the blocking and protection.

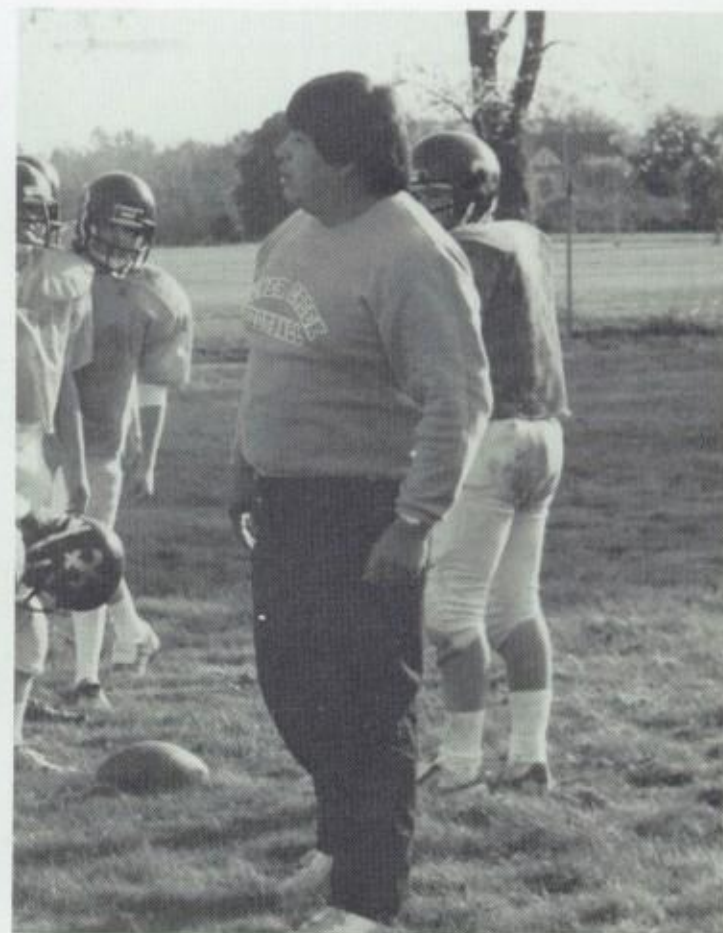

Defensively, the Black Knights became an aggressive, hard-hitting group after passing the "NFL CRUNCH COURSE". They were led by LB'ERS Dalrymple, Fox, Thompson, and Jeff Bull in the middle. The DB's were Buczkowski, Rizzo, Jones and Joe Borrello. With at least twenty-five players returning next season, things look bright in the Black Knight's future.

"I'm the main quarterback now!" J. Day.

After enduring a frustrating season, the wrestling Knights redeemed themselves by defeating five schools in the Division II Tournament that they had previously lost to.

D. DeVito led the Knights by finishing 2nd, while S. Crino and L. Roof placed 3rd. D. DeVito was also champion of the Dunkirk Tournament.

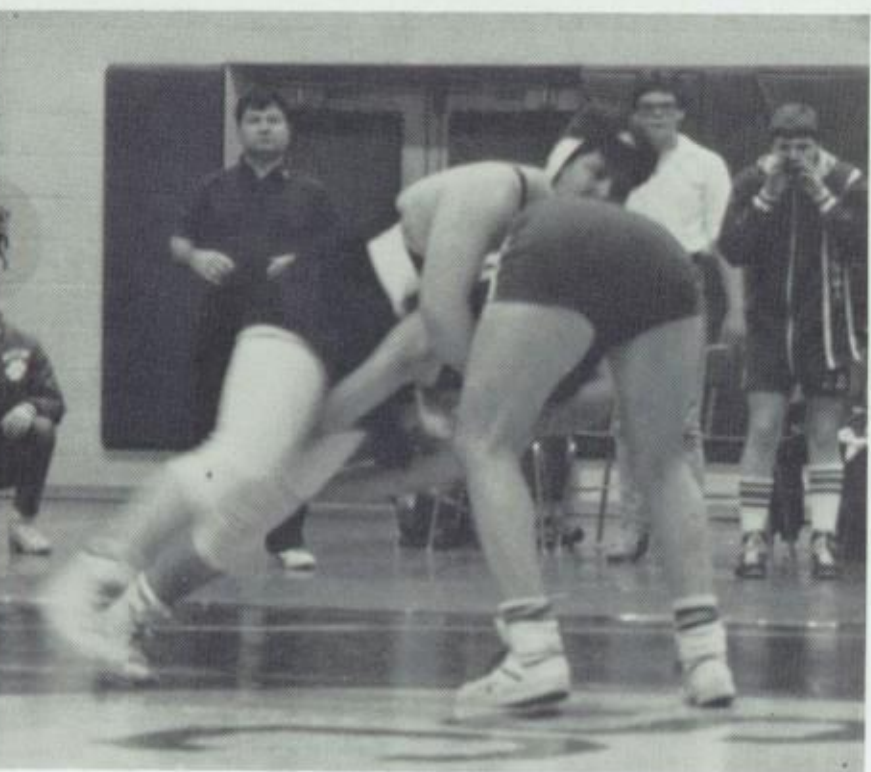

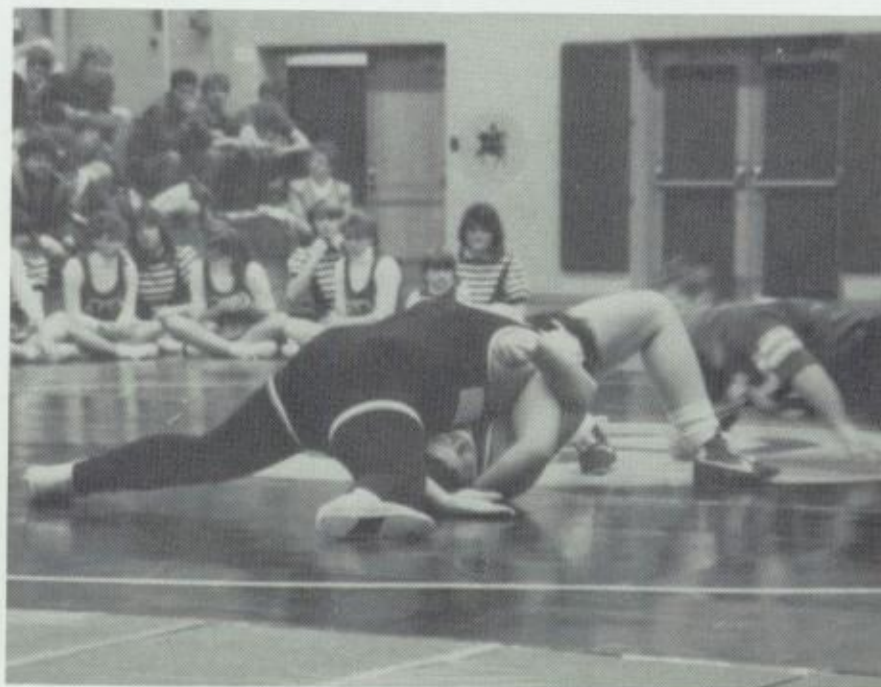

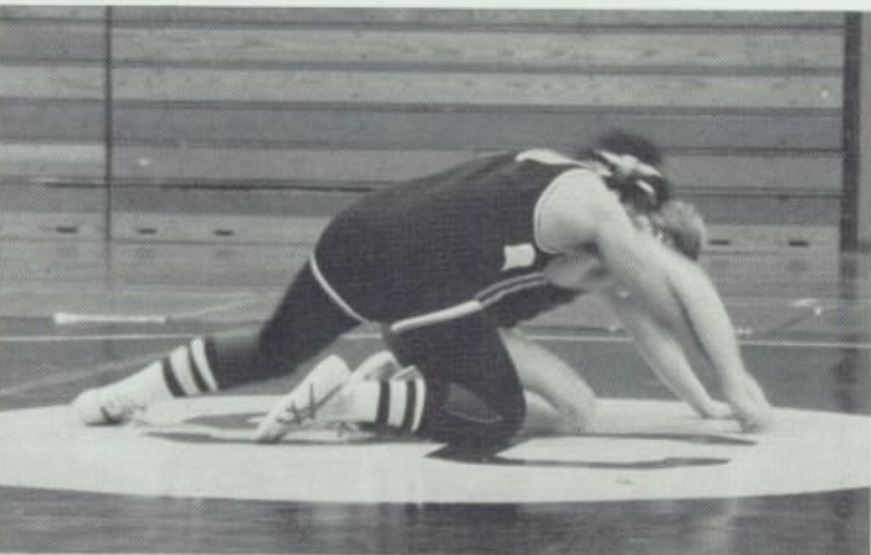

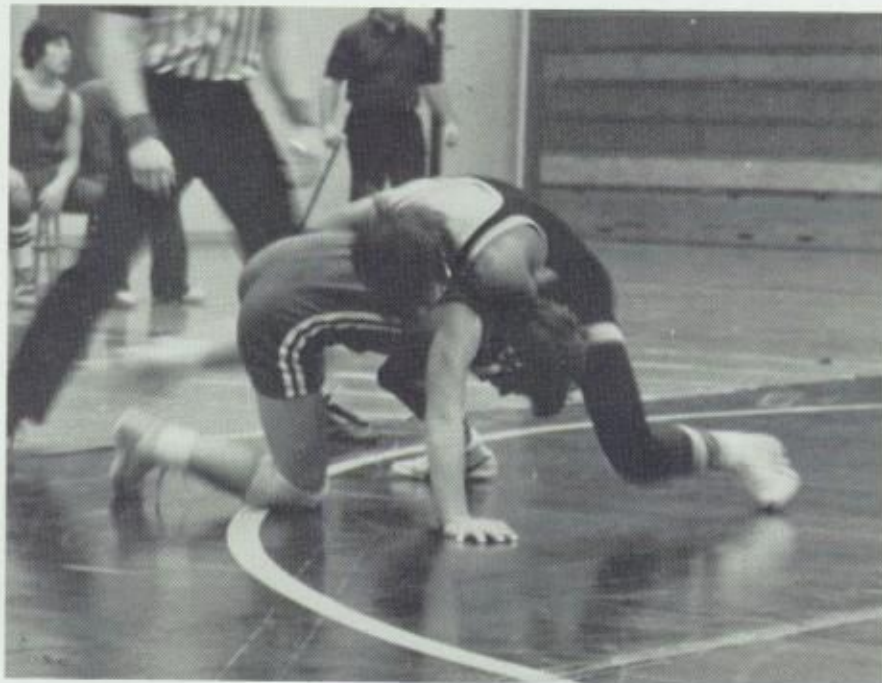

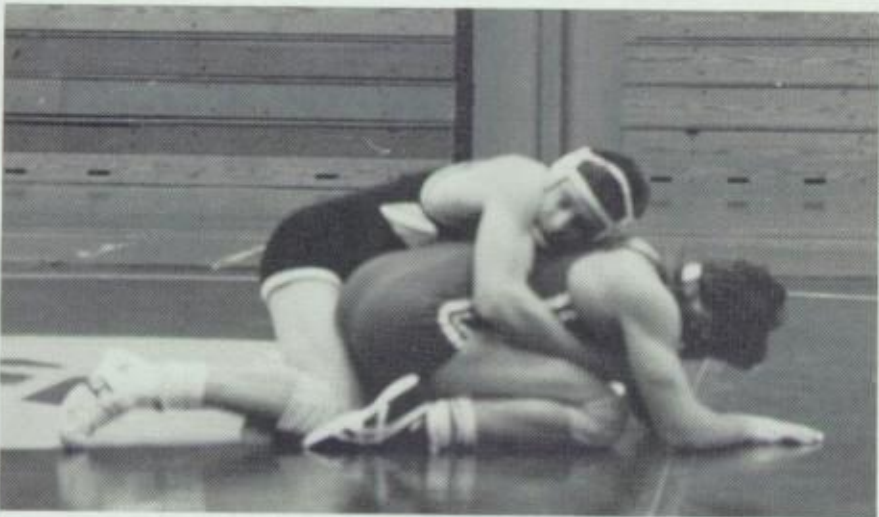

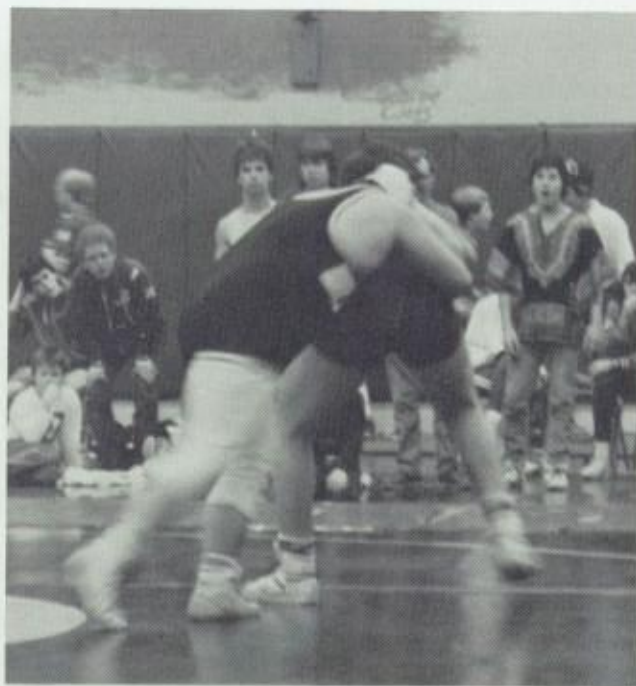

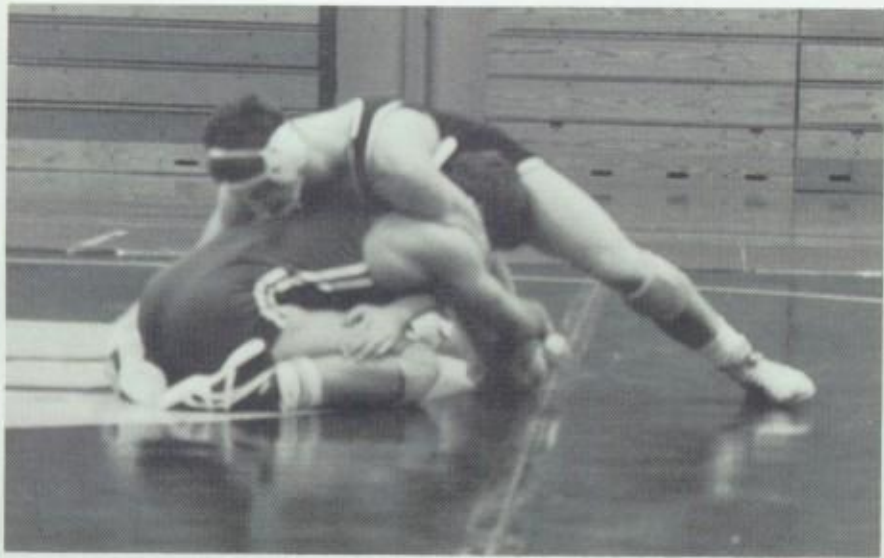

J. Cino led Varsity as well as J.V. effectively. M. Goth and S. Piccolo had decent matches and both finished 4th in Division II tournament. V. DeJohn and C. Oakley also proved to be impressive.

After starting slowly the J.V. team rebounded to play competitive basketball throughout the season. Hard work and determination have allowed the Junior Knights to maintain a consistent level of play.

The team is led by sophomores: C. Reid, S. Borrello, B. Turner, L. Catalano, and T. Skakal. By dedicating themselves over the summer these young men should be able to step in and contribute heavily towards the success of the Varsity team next year.

Coach Johengen would like to thank the J.V. basketball players for working hard and the student body and community for their support throughout the 1986-87 season.

Mangano, Tin Man, and the long one-hander.

For most of the year the starting five for the Junior Black Knights were C. Stevens, M. Sharrow, J. Strzempka, K. Kelley, and D. Fanale. Usually the next two players into the game were L. Huff and M. Barylski. Backing up those boys were C. Haring, E. Gunther, and J. Sack.

The seventh grade team also played well and gained valuable experience for next year when they will help provide the nucleus for the 1988 team! A great amount of improvement was made this year with the team and hopefully will payoff in the 1988 season! Many thanks to E. Gallivan and T. Mays who helped with the seventh grade team.

## Music Festivals

### Chautauqua County Music Festival

A one day festival is held at the Chautauqua Institute in June. Outstanding students from the nineteen county schools are selected to perform in elementary, junior high and senior high vocal and instrumental ensembles.

### Area All State Music Festival

**Junior High** (grades 7, 8, 9) and **Senior High** (10, 11, 12). A two day festival with the finest music students in the eight Western New York Counties performing at each festival in a band, orchestra, or chorus.

### Conference All State

The finest student musicians from the entire state rehearse for four days during the NYSSMA winter music conference of the state music educators and present a concert as members of one of the elite vocal or instrumental ensembles.

### All Eastern Music Festival (held alternate years)

The students, selected from the twelve northeastern states, rehearse and perform as members of the All-Eastern Band, Orchestra, or Chorus on the final day of the MENC music educators' conference.

### ACDA (American Choral Directors Association) Conference (alternate years)

This choral group is composed of outstanding students from the entire northeastern section of the United States. They rehearse for three days and then perform for the music educators on the final day of the conference.

This year's band, one of the largest in several years, had a successful year. In addition to the learning experience of daily rehearsals, the band had several opportunities to perform.

In the fall the band marched in several parades and served as the pep band at Black Knight football games. Concert performances included the fall, Christmas, pops, and spring concerts. The group also performed the first summer concert from the bandstand in the village square and played at the Christmas assembly.

Playing an instrument well enabled some students to play outside of school in such groups as the Chautauqua County Wind Ensemble, All County groups, and All-State organizations.

Mr. Taber  
 When I listened to what he was  
 saying  
 When I learned that which he  
 taught  
 I was grateful for his  
 caring  
 I was thankful for his  
 thoughts.

When I learned that he had  
 left us  
 When I learned of all those  
 who cared  
 I was thinking of the  
 memories  
 And of all the lessons he  
 had prepared

When I think of all his  
 teaching  
 When I remember all he's  
 shared  
 I am grateful for his  
 giving  
 And for the way he  
 cared!

Judy Kelley

### My Best Memory of Mr. Taber

I was walking down the hall after school one day and caught up with Mr. Taber in order to ask him a question. That morning he had graded my notebook, but despite my efforts to print neatly and carefully, he had only given me an 82. I asked him why, and if it was possible to get the better grade I really wanted. He then told me something that I will always remember, for it is always true about everything I will do in life. What he said was: "It is always possible to do better."

# AFS STUDENTS GIVE S.C. A TASTE

## OF THE WORLD

Early in January Silver Creek was host to the Western N.Y. Regional Mid-Winter AFS Conference. Visiting at our school were students from South America, Africa, and Europe.

The long weekend provided a chance for our students to meet and socialize with the visitors and their American siblings. The visitors attended classes, spoke to classroom groups, and "boogied" at a Pizza/Dance party.

The many students and their American siblings proved the Mid-Winter Conference to be a success.

## Alma Mater

On the south shores of Lake Erie  
Near its wave so high  
Stands the school we love so dearly  
Dear old S.C. High

Shout her praises loud proclaiming  
Over all the earth  
Silver Creek our dear High School  
Mighty and of worth
